**Total****Estimate shipping \*****Order total****\*Estimate shipping at a minimum of \$30 or 10% of your order, whichever is greater**

I will update this cost after your order is packed and weighed. We can ship 1-2 sheets of 1 mm in a large box. Any more than that and it will need to ship flat in a crate via freight truck. It is flexible but not as much as the thinner Warlons. Once received unroll the 1 mm and store flat. 0.2 - 0.3 - 0.45 mm Warlon ships rolled in a tube or box.

**We do not accept returns - all sales are final**
